## REPORT OF THE INDEPENDENT AUDITORS TO THE BOARD MEMBERS OF CUTS-CITEE

We have audited the accompanying financial statements set out on pages 5 to 13 of CUTS-CITEE which comprise the balance sheet as at 31st December 2013 and the Income and Expenditure statement, statement of changes in equity and cashflow statement for the year then ended, and a summary of significant accounting policies and other explanatory notes.

### Directors' responsibility for the Financial Statements

The directors are responsible for the preparation and fair presentation of these financial statements in accordance with International Financial Reporting Standards. This responsibility includes: designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance that the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the accompanying financial statements give a true and fair view of the state of financial affairs of the organization and of its Income and cash flows for the year then ended in accordance with International Financial Reporting Standards and the requirements of the constitution of CUTS-CITEE.

## Report on other legal requirements

As required by the constitution of CUTS-CITEE, we report to you, based on our audit, that;

- i) we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- ii) in our opinion proper books of account have been kept by the organization, so far as appears from our examination of those books; and
- iii) the organization's balance sheet and Income and Expenditure statement are in agreement with the books of account.

## Emphasis of matter

We draw attention to note 1 in the financial statements which indicates that financial statements have been prepared on a going concern basis which assumes that the company will continue in operational existence in the foreseeable future. Our opinion in this respect is not qualified.
